NORTHWESTERN MUTUAL

**7PM**

JONI THEOBALD, TECHHIRE DIRECTOR

REGINA SIMS, TECHHIRE COORDINATOR

UMOS

**7:15PM**

Q & A

WRAP UP

We know there are **AMAZING** technology opportunities in Milwaukee! Every week we meet with companies who are breaking the Midwest mold and changing the tech game.

Discover Tech in Milwaukee South will provide an open forum to introduce people and organizations to what is happening in Milwaukee around technology.

UMOS TechHire collaboration is the first of what we hope to be many tech events to happen outside of downtown Milwaukee.
