**UMOS**  
*Building Better Futures*

May 10, 2018

Dear Friends in the Faith Based Community and Community Partners:

As you are aware UMOS regularly hosts luncheons to keep members of the faith-based community and other community partners, informed and connected to issues that are of importance to you and the greater Milwaukee County community. The **Community, Connections** luncheons also give us the opportunity to inform you about a current or new UMOS program or service. Of course, the luncheon gives all of us a chance to connect and network on common issues.

Linda Seemeyer, Secretary, Wisconsin Department of Health Services, will be our guest speaker. "Healthy Congregations, Healthy Children, Healthy Communities," will be the focus of the presentation.

**Date:** May 22, 2018  
**Time:** 11:30 a.m. - 1:00 p.m. (lunch served promptly at 11:30 a.m.)  
**Place:** UMOS Corporate Headquarters  
2701 South Chase Avenue  
Milwaukee WI 5320

Many health and health-related issues exist within our nation, around our state and within Milwaukee that affects the quality of life of our children and our communities. Plan to join us to learn what the state is doing to address these issues and join in the discussion what part we can play to help make Milwaukee a healthier place to live, work and play.

For more information or to rsvp please contact Carmen Lerma at 414-389-6002, or [carmen.lerma@umos.org](mailto:carmen.lerma@umos.org) no later than May 17, 2018.

We look forward to seeing you.

Lupe Martinez,  
President and Chief Executive Officer
