**JOB CODE: IT012**

**Schedule: Full Time On-Site**

**Work Status: Regular**

**Salary: Starting wage \$18.00-\$23.00 based on experience**

**Location: Milwaukee, WI 53207**

### **We Invite You to Join UMOS' Diverse & Dedicated Team**

Are you a motivated, results-oriented candidate seeking to put your talents, skills, and experience to work as part of a mission-driven, customer-focused organization? If so, we invite you to join UMOS' diverse and dedicated team of over 1,000 professionals making a positive difference across more than 60 offices in seven states. Whether you are passionate about facilitating early childhood development; providing training and career planning for a parent; aiding a farmworker in accessing basic needs and new opportunities; educating at-risk individuals in HIV prevention; or supporting those fleeing domestic violence or human trafficking, UMOS is the place where you can fulfill your passion for helping families, businesses, and communities build better futures.

#### **Benefits**

To support its team members, UMOS offers highly competitive compensation as well as a benefits package including:

- Paid time off that increases over your years of service
- 12 paid holidays annually
- A robust range of insurance covering health, dental, vision, life, short- and long-term disability, and accidental death & dismemberment
- The options to establish either a Health Savings Account or Flexible Spending Account, which can be used to cover deductibles, prescriptions, and other healthcare expenses
- A variety of support services to promote well-being through the employee assistance program
- Retirement plan options, including 401(k) and Roth IRA, allowing you to make pre-tax or after-tax contributions. For those participating in the 401(k) Retirement Plan, UMOS annually contributes at least 3% of employees' eligible compensation

#### **Advancement**

In addition, UMOS offers opportunities for advancement. In fact, a number of the senior management, including Lupe Martinez, President & CEO, were promoted from within the organization.

## **Diversity & Equal Opportunity**

UMOS is proud to be an Equal Opportunity Employer, and encourages qualified candidates of all backgrounds to apply, irrespective of race, ethnicity, color, religion, sex, national origin, sexual orientation, marital status, disability, age, parental status, and military service, or any other status protected by federal, state, or local law. In fact, 78% of senior management positions are held by people of color and women.

## **Learn, Grow and Advance with UMOS! We have an exciting role for an I.T. Helpdesk professional who is excited to work for a company that makes a difference in our local community!**

As a Helpdesk Support Specialist, you will ensure business functionality of UMOS user-based technology systems in multiple locations nation-wide including, but not limited to, personal computers/laptops, tablets, cellular devices, VoIP phones, printers, and other peripherals. Respond to user requests in a timely manner, utilizing support tools, in person and/or by phone, to aid with software, hardware, or networking problems; analyzes and resolve or escalate problems when necessary. Advise users and answer questions regarding standard system procedures, policies, capabilities, and security.

### **Primary Responsibilities:**

1. Utilizing the helpdesk system, receives, investigates, resolves and documents support requests from users having problems using computer software and hardware or inquiring how to use specific software.
2. Discusses sequence of procedures followed with users to determine sources of error.
3. Answers questions, applying knowledge of computer software, hardware, and procedures; research problems or patterns of problems with co-workers, applications programmers, network specialists, or other technical personnel to recommend long-term solutions.
4. Escalates level 2+ issues as needed for timely resolution.
5. Analyzes user's needs to determine most appropriate and efficient use of technology needed to accomplish user's tasks.
6. Maintains high level of technical knowledge through interactions with other IT personnel, vendors, technical information resources, and specific training.
7. Assist with software and hardware testing to evaluate ease of use and effectiveness for users' needs.
8. Install software, computer systems, and peripheral equipment.
9. Review or revise technical and user documentation, processes, and procedures.
10. Prepares written and electronic reports, correspondence, and other documents as needed.
11. Maintains confidentiality of network users, data, lists, rights and permissions.
12. Attends meetings, conferences, and other workshops as assigned, performs special projects and other related duties as needed.

## **Qualifications:**

1. AA Degree in Computer Science, Data Processing or equivalent combination of education, training, and work experience.
2. Two or more years of delivering user system support including but not limited to: Windows 10, Active Directory, Office 2019/365, audio and video conferencing technologies (e.g., GoToMeeting, Teams, WebEx).
3. Industry recognized IT Support Certifications (i.e., A+, MS 365, MCSA, Network+) are a plus.
4. Advanced knowledge of company supported software and user hardware including desktops, notebooks, IOS tablets/phones, and peripherals. Working knowledge of IP based enterprise networks.
5. Manual dexterity necessary to operate computer keyboard and to install system hardware
6. Physical strength to move and setup multiple user system workstations and peripherals.
7. Able to work with confidential information. Demonstrated ability, through experience or education, to work independently and in a team environment, to analyze and understand detailed information.
8. A keen interest in customer satisfaction.
9. Able to travel and work irregular hours.
10. Bilingual (Spanish) a plus.
11. Must have and maintain valid Wisconsin driver's license and reliable transportation for travel to and from various UMOs locations and for the transportation of PCs and peripherals.
