3. Provide one-to-one mentor coaching strategies for improving teacher-child interactions which affect linguistically, and developmentally diverse groups of children.
4. Implement a research-based, coordinated coaching strategy for education staff. Engage in dialogue and problem-solving using reflective inquiry, both individual and group and use small group meetings to discuss appropriate curriculum planning and implementation, the ongoing assessment process, and how to individualize curriculum.
5. Assist with the collection and gathering of child progress data.
6. Gather and track coursework documentation from teaching staff and submit early care and education support coordinator.
7. Provide training, technical assistance, and guidance to staff on a range of early learning child development topics including understanding children's needs and behaviors, implementing appropriate strategies that support learning and development, strengthening supportive home environments, and promoting nurturing relationships between children and caring adults.

8. Provide guidance and support to assist staff with the implementation of strategies and resources that individualize services and promote inclusive practices for all enrolled children including children with disabilities.
9. Work with management team to complete Program Self-Assessment, internal quality reviews, and other planned activities that promote continuous quality improvement of program services and positive child outcomes.
10. Implement Child Development and Wellness program including classroom observations, monthly CLASS reviews, child and classroom transition assistance, case notes and coordination of training/coaching services while maintaining confidentiality of child and family, and as necessary perform classroom teacher duties.
11. Develop and document progress on professional development plan for assigned staff and facilitate and engage in professional development activities to increase skills.
12. Provide training and technical assistance, including guidance, support and supervision to teaching staff to identify strengths, areas of needed support, and staff that would benefit most from intensive coaching.
13. Provide opportunities for intensive coaching to identified staff through observation, feedback, and modeling of effective teaching practices that are directly related to the program performance goals.

Qualifications:
