We Invite You to Join UMOS' Diverse & Dedicated Team

Are you a motivated, results-oriented candidate seeking to put your talents, skills, and experience to work as part of a mission-driven, customer-focused organization? If so, we invite you to join UMOS' diverse and dedicated team of over 1,000 professionals making a positive difference across more than 60 offices in seven states. Whether you are passionate about facilitating early childhood development; providing training and career planning for a parent; aiding a farmworker in accessing basic needs and new opportunities; educating at-risk individuals in HIV prevention; or supporting those fleeing domestic violence or human trafficking, UMOS is the place where you can fulfill your passion for helping families, businesses, and communities build better futures.

Benefits

To support its team members, UMOS offers highly competitive compensation as well as a benefits package including:

- Paid time off that increases over your years of service
- 12 paid holidays annually
- A robust range of insurance covering health, dental, vision, life, short- and long-term disability, and accidental death & dismemberment
- The options to establish either a Health Savings Account or Flexible Spending Account, which can be used to cover deductibles, prescriptions, and other healthcare expenses
- A variety of support services to promote well-being through the employee assistance program
- Retirement plan options, including 401(k) and Roth IRA, allowing you to make pre-tax or after-tax contributions. For those participating in the 401(k) Retirement Plan, UMOS annually contributes at least 3% of employees' eligible compensation

Advancement

In addition, UMOs offers opportunities for advancement. In fact, a number of the senior management, including Lupe Martinez, President & CEO, were promoted from within the organization.

Diversity & Equal Opportunity

UMOS is proud to be an Equal Opportunity Employer, and encourages qualified candidates of all backgrounds to apply, irrespective of race, ethnicity, color, religion, sex, national origin, sexual orientation, marital status, disability, age, parental status, and military service, or any other status protected by federal, state, or local law. In fact, 78% of senior management positions are held by people of color and women.

Want to make a positive impact on a child's and family's life?

If you are an individual who likes meeting families and talking to them about positive outcomes for their child(ren) and being the child's and family's advocate and committed to this endeavor, then we have an outstanding opportunity available!

As a Family Services Advocate Worker, you will assist with the implementation of Health and Family Services to include recruitment, intake process, and enrollment of farmworker families and coordination of Mental health and transitional services. Provide case management principles that consist of identification of family's strengths and needs, coordination of services, family advocacy and assistance in family goal setting based on Parent Family Community Engagement Framework (PFCEF). Ensure classroom environments are healthy and safe services which meets the needs of infant, toddlers and pre-school children and their families in accordance with the Federal Head Start Performance Standards, Licensing Rules for Group Day Care Centers, local and state regulations. Will monitor and assist with the coordination of family engagement activities.

Primary Responsibilities (not all inclusive):

1. Assist with the implementation of Health, Transitional and Family Services at the Center including but not limited to: Eligibility, Recruitment, Selection, Enrollment, Attendance (ERSEA), home visits, new born home visits, family needs assessment, referrals, child file reviews, case notes, Family Partnership Agreements, Transitions, collaboration with community agencies, parent education, coordination of MH services to families, family literacy, identification of community resources, and tracking of services.
2. Participate in Case Review Process that addresses health, nutrition, and disabilities program areas of children and determine child's health, special needs and nutrition status by performing a file review and obtaining any current health or dental information through records request.
3. Assist with the management of family services utilizing a case management systems approach that includes performing and monitoring case reviews to identify a family's strengths and immediate, short, and long-term needs of parents and children that provides a support system for families to meet their own individual needs through advocacy, training, and coordination of services.

4. Assist with the implementation and monitor ongoing recruitment plan activities within the center recruitment zones to ensure funded enrollment is met that includes recruitment and establishment of 10% enrollment of children with Disabilities.
5. Implement and monitor the enrollment process of families that includes childcare and determine families' eligibility status, enrollment priority status by utilizing selection enrollment criteria and for families enrolled implement a waiting list while ensuring that Eligibility is 100% accurate in accordance with funding source.
6. Address health, nutrition and disabilities issues including short-term exclusion of children by consulting with parents and sending home "symptoms" letters and health/nutrition referrals, and, if necessary, conduct home visits when health or developmental concerns are suspected or identified through staff/parent observation, screenings, and daily health observations, conduct in-house staffing and send out referrals as needed.
7. Conduct Parent Orientation and coordinate and/or obtain documents such as health information (immunizations, Health history, etc.,) in accordance to licensing requirements.
8. Develop Family Partnership Agreements that outline family goals, school readiness goals, language initiatives, literacy needs, family's strengths, community resources available for goals
9. As part of the PFCE Framework, assist families in accessing community resources/services through implementing an effective referral process and monitoring each case through the process of follow-up referrals to ensure immediate/emergency needs as well as long-term issues of families have been addressed.
10. Obtain consents from parents, if parent unable to take child, for EPSDT, health or dental services that allows program to arrange services, as permitted by provider, and coordinate transportation for these services as needed.

Qualifications:

1. Must be fully vaccinated against COVID-19 or have weekly COVID-19 testing.
2. Be at least 18 years old and have a High School Diploma/GED
3. Must have credential or certification in social work, human services, family services, counseling, or related field within eighteen months of hire.
4. Preferred two years post high school education in Human Services or related field or AA Degree in Social Work or related field.
5. Bilingual in Spanish and English (oral and written).
6. Proficient in Microsoft Office.
7. Good oral and written communication skills.
8. Must have reliable car, valid driver's license, and adequate insurance.
9. Ability to work irregular and/or flexible hours.
