## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
United Migrant Opportunity Services/UMOS INC.  
Milwaukee, Wisconsin

### Opinion

We have audited the accompanying financial statements of United Migrant Opportunity Services/UMOS INC. ("UMOS", a nonprofit organization), which comprise the statements of financial position as of June 30, 2025, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of UMOS as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UMOS and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UMOS's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UMOS's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UMOS's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Settlement of DHS Cost Reimbursement Award is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal, state, and local awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of the Settlement of DHS Cost Reimbursement Award and schedule of expenditures of federal, state, and local awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 9, 2026, on our consideration of UMOS's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of UMOS's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UMOS's internal control over financial reporting and compliance.

## Notes to Financial Statements June 30, 2025

### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Operations**

United Migrant Opportunity Services/UMOS INC. (UMOS) was organized as a nonprofit corporation in 1965. The organization was formed to develop and provide resources for the purpose of assisting farm workers, Hispanic, and low-income families through a variety of programs. The organization also owns five low-income housing projects, Aurora Housing Center, Montello Housing Center, Claremont Housing Center, Jefferson Apartments, and Beaver Dam Apartments, which have been included in these statements. The organization is primarily supported through federal and state government grants.

#### **Basis of Accounting**

The financial statements of the organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Cash and Cash Equivalents**

For purposes of the Statement of Financial Position and the Statement of Cash Flows, cash and cash equivalents consist of cash and money market funds, with an original maturity of three months or less when purchased.

#### **Liquidity and Availability of Resources**

UMOS has \$9,701,023 of financial assets available within one year of June 30, 2025 to meet its cash needs for general expenditures, liabilities and other obligations as they become due. The cash and cash equivalents and investments in marketable securities are held in liquid accounts and are available as part of its liquidity management to ensure funds availability. The accounts and grants receivable accounts are expected to be collected within one year.

UMOS' financial assets available within one year of June 30, 2025 for general expenditures are as follows:

Cash and Cash Equivalents	\$ 4,523,650
Investments in Marketable Securities	50,068
Accounts Receivable	353,999
Grants Receivable	<u>4,773,306</u>
Total	<u>\$ 9,701,023</u>

# United Migrant Opportunity Services/UMOS INC.

## Notes to Financial Statements June 30, 2025

### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Investments in Marketable Securities**

Investments in marketable securities include cash and cash equivalents, mutual funds, and fixed income investments shown on the Statement of Financial Position at market value. The primary objectives of UMOS investment activities are to preserve and protect investment principal that will provide sufficient liquidity to meet disbursement requirements which might reasonably be anticipated and to manage the investment portfolio to maximize return consistent with the above objectives and other risk limitations as determined by management.

#### **Receivables**

Grants receivable consists primarily of amounts due from various federal, state, and local funding sources with most grants receivable due from federal agencies and the state of Wisconsin. Accounts receivable consists of tenant rents and USDA receivables related to the housing centers, receivables from companies related to earned revenue from the Transitional Jobs grants, and other miscellaneous receivables from corporate tenants. An allowance for credit losses has not been recorded as they are deemed to be fully collectible. Receivables with uncertainty regarding full payment will be reviewed and an allowance will be established for the amount determined to be uncollectible based on management's consideration of historical collectability, current circumstances, and projected future changes in status of its payors.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Property and Equipment, Net**

For financial statement purposes, the cost of property and equipment with a unit cost of \$5,000 or more is recorded as an asset and is depreciated over its estimated useful life using the straight-line method. The cost of property and equipment with a unit cost of \$5,000 or more purchased with grant funds and expensed to the grants is added back in total to unrestricted net assets while the related depreciation calculated in accordance with generally accepted accounting principles is deducted from unrestricted net assets.

Federal depreciation expense for assets purchased with grant funds was \$1,057,719. Depreciation expense for assets purchased with non-grant funds was \$470,137 for total depreciation of \$1,527,856.

The accounting policies of UMOS are in accordance with the terms of grant agreements and funding sources' prescribed cost principles with respect to property and equipment. The property and equipment acquired with grant funds is owned by UMOS while used in the program for which it was purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations.

## **Notes to Financial Statements June 30, 2025**

### **NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### **Income Taxes**

UMOS is a private nonprofit corporation generally exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. It is also generally exempt from the franchise or income tax on state taxable incomes.

#### **Indirect Cost Rates**

UMOS does not elect to use the 10% de minimis cost rate. UMOS has a federally negotiated indirect cost rate that was approved with a four-year extension. A provisional rate is in effect as of July 1, 2023 and extends through June 30, 2026.

#### **Basis of Presentation**

Under generally accepted accounting principles, UMOS is required to report information regarding the financial position and activities according to two classes of net assets, defined as follows:

- Without donor restriction, with further classification as either Undesignated, which are net assets that are not subject to donor restriction; or Designated by the Governing Board, which are net assets subject to Governing Board restrictions. UMOS does not have any Governing Board designated net assets.
- With donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met either by actions of UMOS and/or the passage of time. UMOS has none at this time.

## Notes to Financial Statements June 30, 2025

### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Revenue & Revenue Recognition

##### *Contributions and Grants*

UMOS accounts for contributions and grants under Accounting Standards Codification (ASC) No. 605 Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605). Revenue is recognized for contributions or grants when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with measurable performance or other barriers and a right of return, are not recognized until the conditions on which they depend have been met.

A significant portion of UMOS's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when UMOS has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statement of Financial Position. As of June 30, 2025, advance payments of \$3,113,176 were recognized in the Statement of Financial Position as unearned revenue.

##### *Contract Revenues*

UMOS recognizes revenue in accordance with ASC 606, Revenue from Contracts with Customers. Accordingly, revenue is recognized when control of the goods or services promised under a contract are transferred to the customer in an amount that reflects the consideration to which UMOS expects to be entitled in exchange for the goods or services.

#### Program Income

Program income is derived from providing a variety of services to UMOS's program participants for a set fee. Consideration for these services is the set fee and is payable upon performance of the service. Revenue is recognized at the time of service; therefore, no contract payables, receivables, or deferrals exist related to program income.

#### Contracts with Funding Agencies

From time to time, UMOS enters contracts under which it earns a set fee for providing services over a defined period of time. In those instances, the contract is identified when UMOS has an approved contract, each party's rights have been identified, payment terms have been identified, the contract has commercial substance, and it is probable that UMOS will collect substantially all the consideration to which it is entitled. Revenue is recognized ratably each month as UMOS performs the agreed-to services over the length of the contract.

See Note L to the financial statements for additional information related to UMOS's revenue recognition policies and balances.

## Notes to Financial Statements June 30, 2025

### NOTE B – RESTRICTED CASH

UMOS' restricted cash accounts are as follows:

Howard G Buffet Foundation	\$ 2,467,158
Housing Centers' Reserve Cash Accounts	459,314
UMOS' 457 Executive Plan	<u>414,597</u>
Total Restricted Cash	<u>\$ 3,341,069</u>

UMOS received an advance payment from the Howard G. Buffett Foundation under a conditional promise to give. Since UMOS has not yet expended the funds, it has not met the criteria to recognize revenue from this award as of June 30, 2025. The unexpended cash balance is reported as restricted, with a corresponding unearned revenue liability in the amount of \$2,467,158 reported on the Statement of Financial Position.

The U.S. Department of Agriculture notes payable provisions require UMOS to maintain reserve accounts until the balance reaches \$403,420. At June 30, 2025, its balance was \$459,314. The U.S. Department of Agriculture must consent and approve the use of these funds.

UMOS has an asset and corresponding liability related to its 457 Executive Plan with both having a balance of \$414,597. Refer to Note I for further information.

### NOTE C – INVESTMENTS

UMOS has implemented the accounting standard regarding fair value measurements. The standard defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles, and expands disclosures about fair value measurements. The input levels used for valuing investments are not necessarily an indication of risk.

#### Level 1

Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).

#### Level 2

Fair values are based on inputs other than quoted price included in level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

#### Level 3

Fair values are based on unobservable inputs for valuing the asset or liability. Unobservable inputs are those that reflect the plan's own assumptions about the assumptions that market participant would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

### **NOTE F – CONCENTRATION OF CREDIT RISK**

UMOS maintains cash balances and money market accounts in a brokerage account and more than one bank. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash balances in excess of FDIC coverage are not collaterally secured. Cash balances in excess of FDIC coverage are \$12,752,387 at June 30, 2025.

### **NOTE G – OPERATING LEASES**

UMOS assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. Leases with an initial term of 12 months or less are not recorded on the Statement of Financial Position.

UMOS leases various facilities and equipment for operation of its programs. The lease have remaining lease terms of one to eight years, including options to extend or terminate leases.

Amounts reported in the accompanying financial statements related to these lease agreements are as follows:

Operating Lease Right-of-Use Asset	\$839,389
Operating Lease Liability- Current	430,342
Operating Lease Liability – Long Term	412,738

The weighted average remaining lease term and discount rate as of June 30, 2025 are 2.563469 years and 3.854285%, respectively.

Cash paid for amounts included in the measurement of operating lease liabilities: \$775,603  
Lease assets obtained in exchange for operating lease obligations: \$78,876

### NOTE H – RETIREMENT PLAN

UMOS has a defined contribution retirement plan authorized under IRS section 401(k) which covers substantially all regular and seasonal employees who have been employed by the organization for one year, work a minimum of 500 hours, and are at least 18 years of age. There are two elements to the plan consisting of employer and employee contributions. Both types of contributions vest immediately. Employee contributions are optional.

Effective January 1, 2009, the 401(k) retirement plan became a Safe Harbor 401(k) plan, whereas UMOS commits to making certain contributions. This commitment to make contributions enables UMOS to simplify the administration of the plan by ensuring that non-discrimination regulations are met. In order to maintain the “Safe Harbor” status, UMOS will make a contribution equal to 3% of eligible employees’ compensation. In addition, UMOS may also make an additional 2% contribution of the eligible employees’ compensation. UMOS made contributions of \$1,601,007 and incurred plan expenses of \$15,800 for the year ended June 30, 2025.

### **NOTE I - EXECUTIVE ADMINISTRATIVE STAFF BENEFIT PLAN**

The UMOS Executive Plan was established by the UMOS Board for the benefit of members of its executive administrative staff. The UMOS CEO/President has the authority to update the list of eligible executive administrative staff. The plan provides for the following benefits:

- An additional 2% pension contribution on employee earnings that exceed 92% of the maximum Social Security wage base through December 31, 2025.
- 4% of annual employee earnings to be used for long-term care insurance, long-term disability insurance, life insurance, and/or contributions to the Section 125 Flex Benefit Plan, 457 Plan and Health Savings Account.
- At June 30, 2025, the 457 Plan balance was \$414,597, of which UMOS contributed \$73,721 and made distributions of \$856,915 during the fiscal year. This balance is classified as restricted cash, also refer to Note B.

### **NOTE J – CONCENTRATION OF RISK**

UMOS receives grants from various Federal, State, and Local agencies whose programs rely on the availability of funding from the Federal, State, and Local governments. Approximately 90% of grant and housing revenues are from Federal government agencies.

### **NOTE K – CONTINGENCIES AND UNCERTAINTIES**

#### *Contingent Receivable / Payable*

Various UMOS grants are subject to monitoring by the grantor upon termination of the grant. UMOS does not record potential or uncertain revenues or liabilities in its financial statements that may result from grantor's monitoring until the amounts are known, at which time they are recorded in the current year. There were no revenues or unallowed expenditures related to grantor monitoring during 2025.

### NOTE L – REVENUE

As described in Note A, UMOS generates revenues from program services and from contracts with funding customers. The following tables provide additional detail related to revenue recognized from these activities during the year ended June 30, 2025:

#### *Disaggregation of Revenue*

The table below presents net sales disaggregated by timing of revenue recognition and source:

	Program Revenue	State and Federal Contracts
Revenue recognized for services transferred at a point in time	\$ 100,695	\$ -
Revenue recognized for services transferred over time	-	-
	<b>\$100,695</b>	<b>\$ -</b>

#### *Opening and Closing Balances of Receivables, Contract Liabilities, and Deferrals*

There were no contracts receivable, payable, or deferrals as of July 1, 2024 or as of June 30, 2025.

#### *Practical Expedients*

UMOS has elected to apply the following practical expedients when determining revenue from contracts and capitalization of related costs:

- UMOS has elected to not adjust revenue for the effects of a significant finance component when the timing difference between receipt of payment and recognition of revenue is less than one year.
- UMOS has elected to expense incremental costs to obtain a contract when the amortization period of the related asset is expected to be less than one year.

### NOTE M – CHANGES IN NET ASSETS

To comply with generally accepted accounting principles, UMOS records in its financial records the cost, less accumulated depreciation of property and equipment which was purchased with grant funds. In addition, the accrued vacation pay due employees is reflected in net assets and current liabilities. Specifically, by fund, center, or apartments, the following summary of changes to net assets without donor restrictions and undesignated, is comprised of:

### NOTE N – EXPENSES

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Wherever possible, costs are assigned to the grants that benefit directly from the grant expenditures. Certain costs, such as occupancy and common office expenses, are recorded in cost pools for monthly assignment to activities that benefit in common from the expenditures. Those allocations are based on full-time equivalent employees.

Indirect administrative cost is applied using its federally approved rate.

### NOTE O – LEASES

UMOS leases to various tenants approximately 33 percent of its company-owned and occupied headquarters. The lease terms range from one to five years, with renewal options, and specified annual increases over the lives of the individual leases.

Rent revenues will be recognized over the subsequent years ending as follows:

2026	\$ 423,077
2027	411,594
2028	421,349
2029	237,127
2030	200,054
2031-2034	900,242
<b>Total</b>	<b>\$ 2,593,443</b>

### NOTE P – IN-KIND CONTRIBUTIONS

Certain in-kind contributions are not recorded in the Statement of Activities because they do not meet the definition of professional services as defined according to accounting standards. The value of in-kind contributed services not recognized in the financial statements totaled \$1,815,044 for the year ended June 30, 2025. This is primarily related to Head Start in-kind contributions consisting of volunteer services and others in-kind contributions totaling \$1,576,097. The Latina Resource Center also records in-kind for volunteer services for a small number of programs totaling \$30,947. Lastly, TechStars program recorded in-kind of \$208,000.

Contributed nonfinancial assets were recognized as follows in the Statement of Activities:

Asset Type	Utilization in			
	Revenue Recognized	Programs / Activities	Donor Restrictions	Valuation Techniques and Inputs
Contributed Facilities	1,470,632	Child Education	None	Fair value is estimated based on costs provided by the lessor.
	<b>\$1,470,632</b>			

### NOTE Q – SUBSEQUENT EVENTS

UMOS has evaluated subsequent events through February 9, 2026, the date the financial statements were available to be issued. Management is not aware of any subsequent event which would require recognition or disclosure in the financial statements.

## **Notes to the Schedule of Expenditures of Federal, State and Local Awards** **June 30, 2025**

### **NOTE 1 - BASIS OF PRESENTATION**

The accompanying Schedule of Expenditures of Federal, State and Local Awards (the Schedule) includes the award activity of UMOS under programs of the Federal, State and Local governments for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of UMOS, it is not intended to and does not present the financial position, changes in net assets, or cash flows of UMOS.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are limited to reimbursement or grant stipulations.

### **NOTE 3 – PARTICIPANT DIRECT PAYMENTS**

There were no direct payments made to W2 participant workers compensation by Wisconsin Department of Children and Families on behalf of UMOS for the year ended June 30, 2025.

### **NOTE 4 – INDIRECT COST RATE**

UMOS uses its approved Federal Indirect Cost Rate. UMOS has an approved provisional indirect cost rate of 10% from our cognizant agency, the US Department of Health and Human Services (DHHS).

### **NOTE 5 – FEDERAL LOANS**

UMOS was approved by the USDA Rural Development to receive loans for its housing developments totaling \$421,049 as of June 30, 2025. The amounts listed for these loans includes the proceeds used during the year and the outstanding loan balances from prior year. The current loan balances are also reported on UMOS' Statement of Financial Position – Liability section.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT  
AUDITING STANDARDS**

To the Board of Directors of  
United Migrant Opportunity Services/UMOS, INC.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Migrant Opportunity Services/UMOS, INC. ("UMOS" a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 9, 2026.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered UMOS's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of UMOS's internal control. Accordingly, we do not express an opinion on the effectiveness of UMOS's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether UMOS's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND THE STATE SINGLE AUDIT GUIDELINES

To the Board of Directors of  
United Migrant Opportunity Services/UMOS, INC.

### Report on Compliance for Each Major Federal Program

#### ***Opinion on Each Major Federal and State Program***

We have audited United Migrant Opportunity Services/UMOS, INC.'s ("UMOS") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the *Wisconsin State Single Audit Guidelines* that could have a direct and material effect on each of UMOS's major federal and state programs for the year ended June 30, 2025. UMOS's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, UMOS complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2025.

#### ***Basis for Opinion on Each Major Federal and State Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *Wisconsin State Single Audit Guidelines*. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of UMOS and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination of UMOS's compliance with the compliance requirements referred to above.

#### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to UMOS's federal and state programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on UMOS's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and State Single Audit Guidelines will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about UMOS's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and State Single Audit Guidelines, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding UMOS's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of UMOS's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and State Single Audit Guidelines, but not for the purpose of expressing an opinion on the effectiveness of UMOS's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Report on Internal Control over Compliance***

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and State Single Audit Guidelines. Accordingly, this report is not suitable for any other purpose.
